Dear Lion Ipshita Dutta

I am pleased to learn that you are going to publish your District's quarterly edition of digital Magazine "Lions Imprint" which will be released during your district's Second Cabinet meeting on 8th October 2023.

The members of your district have always stretched that extra bit to serve those in need among the communities in and around your area. The dedication, motivation and service-mindedness displayed by your members through their various meaningful service activities have gone a long way in carving out, for Lions, a special place in the hearts of those they have served.

As lions, it is our unwritten commitment to make this world better than what it has been before. This is an important exercise to pursue our purpose in life. Each one of us is so busy that devoting time to welfare programs that make an impact may sometimes be challenging. The most impressive feature with your members is that they are always on the lookout for opportunities to reach out wherever the need is, and ensure that LCI continues to be the top service club organization in the world.

Let us believe in ourselves and in our association because together, we can make the difference in changing the world.

Thanks, and with regards.

Dear Lions and Leos,

I extend my warm greetings to the esteemed members of District 322G. As the First Vice District Governor, I am deeply honored and privileged to stand alongside our dedicated Lions during the Lionistic year 2023-2024, under the capable leadership of District Governor Lion Nirmal Bhura.

First and foremost, I wish to convey my heartfelt gratitude to each and every Lion for your unwavering dedication and hard work. I take great pride in the outstanding accomplishments we have achieved through our collective efforts. These accomplishments include the establishment of new Lions and Leo Clubs, the addition of new members, and the initiation of meaningful projects aimed at serving the less fortunate in our communities. I'm also delighted to note the positive response we have received in our efforts to support the Melvin Jones Fellowship (MJF), which underscores our steadfast commitment to the motto "We Serve."

Recently, 21 clubs from Lions fraternity of Guwahati actively participated in the inspiring Haat Bazaar project, which proved to be a resounding success and unity. Such initiatives motivate our Lions to redouble their efforts in serving society. Our combined endeavors in assisting those in need, promoting educational initiatives, and advancing healthcare programs are truly inspiring.

The success of our clubs is a direct consequence of your tireless dedication and the unity that binds us together. I extend my heartfelt best wishes to all the newly appointed office bearers of District 322G, who will serve under the dynamic leadership of Lion Nirmal Bhura. I encourage each one of you to remain actively engaged and continue sharing your invaluable insights and ideas. Together, we can foster innovation and work towards creating a more inclusive and compassionate society.

Your invaluable contributions serve as the bedrock of our achievements, propelling our District to even greater Himalayan Heights.

Dear Roaring Lions and Leos of our great District 322G

It gives me immense pleasure to learn that our first edition of digital directory- Lions Imprint is being published.

I remember and cherish those golden days of my Leoism in 1989, as a vibrant Leo member, of Leo Club of Gauhati, and I have no hesitation in admitting that the **LEADERSHIP, EXPERIENCE & OPPORTUNITY** learned in those times have not only paid me in my Lionistic journey but my professional as well as personal life. I am whatever today is the dividend being reaped by me in those days.

Our District is scaling high in all the directions whether it's **MEMBERSHIP, SERVICE, EXTENSION, LCIF** and feel proud along with all of you, as one of the best districts of our Multiple with some **ISAAME** records.

Friends, the meticulous planning and consistency shown by our leadership and all of us is gaining momentum and such momentum and pace have to be multiplied further in the years to come, for manifold overall growth.

Friends, no doubt our present is good and we should plan for the future as well, and as such, I appeal to each and every Lion or Leo of our District to guide me overall for betterment of our great District.

My gratitude to you all for having given me a chance as a leader in the coming years. I will do my best to be worthy of your trust with all available resources of mine, of our Lion Leaders, Members and of course my club members of Lions Club of Guwahati Anmol.

Once again, while Congratulating each and every Lion and Leos of our District for a remarkable journey till now and ahead, I can simply say my heart will always beat for Lionism.

Long Live Leoism. Long Live Lionism. Jai Hind.

Dear Lion friends,

Geetings.

It has been a wonderful experience taking up the responsibility of LCIF Coordinator. I thank our District Governor for giving me this opportunity which I am really enjoying working for.

Friends, I feel proud to inform you that we have already completed 86 MJF and our district is the 1st District in the entire ISAME to have completed its given target of \$ 57200 in the 1st month itself and even now we are leading in our multiple 322 with our contribution of \$ 85000. This achievement has been possible with the astounding support of our Lions hearted friends.

Our current target stands at \$ 111111 and we are confident to achieve it with the support of all clubs. Big donations might not be possible for many and we should focus on participating and contributing to our foundation may it be by small individual donations with a minimum \$20 contribution onwards.

My heartiest congratulations to all the members and leadership of Lions Club of Gauhati & Lions Club of Guwahati Parwarish for completing their target for Model club this year & being hereby declared as **MODEL CLUB**.

There is a scheme of 100% contributing Club which receives a beautiful patch from LCI. Its possible by small donation of 50\$ per member.

Giving is not the only agenda, I feel we should prepare and plan good projects to get grants from LCIF too.

Friends, I am a true Lion Volunteer and believe in taking up responsibilities and executing with true dedication, commitments and thank once again to all the Lions who committed to contribute to LCIF.

Friends, I am sure by now all of you are very well aware of “Mission 1.5”. If not please touch the link above and see the video. Yes, Our International President Dr Patti Hill has set this mission of increasing the strength of Lions throughout the world to 15 lakhs by 2027 from the present strength of approx. 13.77 lakhs.

We should in fact take this as a challenge of achieving this target of 1.5 Million, one year in advance so that the same is achieved during the period, our International 2nd Vice President A. P. Singh is seated as International President in 2025-26 at the head quarter of Lions International. And for this reason, everyone has to put in efforts to achieve this target. So, friends I would like to hear from each Lion member “Challenge Accepted” and make India proud.

There are special awards announced by our Multiple 322 for membership growth for the period 1st October, 2023 to 31st December, 2023 and the Clubs will be recognised on 10th February, 2024 at Kolkata by International President Dr Patti Hill in the presence of LCIF Chairperson and the 2nd IVP :

Clubs adding 5 members, the President will be honoured

Clubs adding 10 members, the PSTs will be honoured

At District level our honourable District Governor Lion Nirmal Bhura has set a goal for the clubs having strength less than 25 members as on 1st of October, 2023. These clubs if achieves the targeted strength of 25 then they will be recognised and that club's PSTs, club GMT & the members sponsoring the new members will be recognised by appreciation certificates.

The theme of Lions Clubs International this year is "Changing the World". That is possible only with the strength of our clubs and that depends on the strength of our membership. We need to share our love of service & inspire others to join us in making a difference in the world.

As GMT Coordinator, I ask each one of you to embrace the challenge of “Mission 1.5”. Together, we can inspire others to join our ranks, strengthen our clubs, and bring even more service and compassion to our world.

I am thankful to all the Lion leaders from our district who have supported the mission by adding more than 500 new members and given a net growth of approx. 400. Here, I would like to mention the name of Lions Club of Gauhati Greater which has added about 80 members and helped our district to reach a respectable position at the multiple level. Thank you for all that you do as Lions, and I look forward to working with you all as we continue to grow and thrive in District 322G.

A DISTRICT SCHOOLING

On 28th – 30th April, 2023 we had a wonderful residential District level Schooling participated by 68 Lion leaders. The event took place over two days at Club Nirvana and was designed to enhance the knowledge and skills of our Lion members through a combination of engaging sessions and outdoor activities. The training program featured a wide range of sessions aimed at providing valuable insights and knowledge to the Lion members. The sessions covered various aspects of leadership, community service, and personal development. The content was thoughtfully curated to ensure that participants left the event with practical skills and a deeper understanding of their roles within the Lion's organization.

We were fortunate to have two distinguished guest faculties, Lion Anupam Singhanian and Lion Rajiv Lochan, who shared their expertise and experiences with the participants. Their sessions were particularly well-received and added significant value to the program.

In addition to the classroom sessions, participants had the opportunity to engage in outdoor activities that fostered teamwork, leadership, and camaraderie among the Lion members.

The success of any training program can be measured by the feedback from the participants. We are delighted to report that the participants found the program to be insightful, engaging, and enjoyable. Many attendees expressed their appreciation for the opportunity to learn from experts and network with fellow Lion members. The District Schooling program at Club Nirvana for Lion members was a resounding success. Guiding Lion Program, which was conducted on August 23rd and 24th, 2023. The program aimed to create mentors capable of guiding and strengthening new clubs in the future. It was attended by 35 Lion members and leaders, and its success can be attributed to the innovative approach of combining pre-program preparation via a WhatsApp group with live online sessions.

To ensure that participants were well-prepared and engaged from the outset, a dedicated WhatsApp group was created on August 10th. This platform served as a hub for daily course materials distribution and task assignments. Participants were actively encouraged to read and complete assignments to facilitate their learning journey.

The program featured online live sessions conducted by distinguished faculty members. We were privileged to have two senior faculties, Lion NagaRaju, LCIP, and Govindraj, LCIP, who brought their extensive knowledge and experience to the program.
