

Lions Clubs International | District 3232 B3 | 2026-27

**A Little Help and Serve with Smile
gives meaning to Human Life.**

July 2026

Hello,
Lion President, Secretary, Treasurer & well wishers,

Congratulations to all of you for being promoted to a higher position in the club, Lion L.K. Vaghela, our District Governor for the Lion Year 2026/27 has placed his trust in me and appointed me as the Director of Childhood Cancer.

Friends We will Work Together & Support Cancer Affected Little Children.

What Lions Clubs can do to Prevent Childhood Cancer ? (OUR CHALLENGES)

- Bringing Awareness about Childhood Cancer.
- Providing Guidance to the Parents.
- Financially Supporting the family of Children who are undergoing various treatments of cancer.
- Supporting by promptly providing Blood Bottles & Platelets to the Pediatric Cancer Patients.
- Nutritional Support by the way of Distribution of Protein Powder Drink, Fruits, Nutritional Diet to the Children.
- Psychological & Social Support to the family by organizing various entertainment events at the Children Cancer Hospital & other Places.
- Spreading Awareness regarding Cancer to the Students of Schools and Colleges by the way of recreational activities & educational Support.
- Arranging the shelter for the family of Cancer affected Children.
- Supporting the Rehabilitation of Pediatric Cancer Patients and their Families.

Childhood Cancer's Supporting Drive

- Cancer is the Leading Cause of Death in Children Under the age of 15 in India.
- More than 300000 Children & Adolescent are Diagnosed with Cancer Every Year.

Childhood Cancer

Our target of Year 2026-2027
to Serve with Smile and reach the

**Target of 1111 Children
Suffering from Cancer.**
