ENVIRONMENT

OCTOBER SERVICE WEEK 2026

TREE PLANTATION

Plant and care for native trees in schools, communities and public spaces.

CLEAN-UP DRIVES

Organize plastic-free clean-ups of beaches, roads, parks and public areas.

WATER CONSERVATION

Promote rainwater harvesting, water-saving practices and restoration of local water sources.

WASTE MANAGEMENT

Encourage waste segregation, recycling, composting and reduction of single-use plastic.

ENVIRONMENT AWARENESS

Conduct eco-awareness campaigns, workshops and community partnerships for lasting action.
